Margie,
It was a very good year and
I'm glad I got to know you. I met
you last year in math but we really
didn't get to talk much. I hope you enjoy
being a senior. Don't rush it next year because
it'll go to fast and you'll miss it. Good luck to
you always. Love your friend

Margie, you a crazy person and
we've had a lot of fun together,
even though we have done some
really stupid things. (like those

Mr. Gregg Patrick,

This One's For You

Each year the yearbook staff at Leigh dedicates it's Vintage to a faculty member, or administrator who has done an outstanding service to the school and students. Usually the book is dedicated to a person who has spent much of their time heading after school clubs, coaching teams, or taking part in school assemblies and special rallies. However, there is one teacher on campus who displays outstanding dedication both in and out of the classroom. A man who's dedication can be measured by his interest and service to his classroom students alone-Mr. Gregg Patrick.

Mr. Patrick is one of the most interesting teachers at Leigh High. His techniques of conveying the necessary material of his courses to his students is unique, intriguing, and at times, quite comical. During his lectures filled with unpredictable actions and expressions, he cleverly explains each lesson unlike any other teacher could or would. His teaching style and pleasant manner spark enthusiasm in his classroom and encourage his students to listen and learn. His personal interest in each of his students provides them with support and confidence and his knowledge of the subjects he teaches fills them with respect and admiration.

In addition to his classroom involvement, Mr. Patrick also takes an active interest in all students; he is one of the after school wrestling coaches, he is always most willing to participate in special fund-raising assemblies such as the senior class pie-throwing contest, and above all, he is a friend, ready and willing to help all students in any way he can.

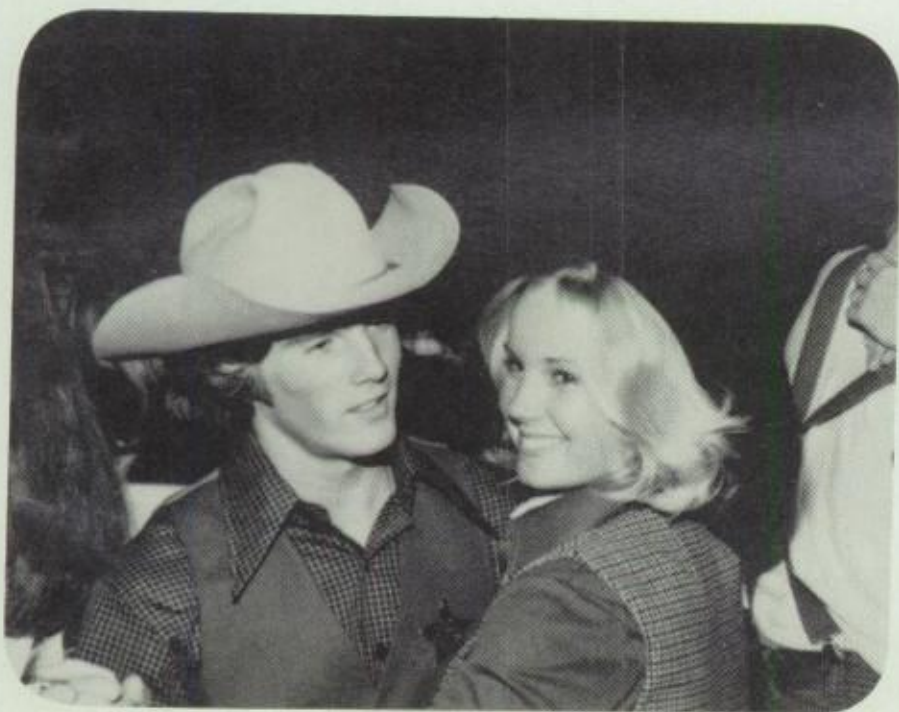

A great teacher, great person, and an extraordinary man. The nineteen seventy-seven-seventy-eight Vintage staff is proud to dedicate this years yearbook to Mr. Gregg Patrick.

Exchanging Smiles Across The Miles

I am having a good time with Leigh students in the U.S. Knowing people is very interesting especially in a different country. Associating with my new friends, I found that the Americans are very friendly and nice. When I was having problems, my friends, teachers, and my family helped me a lot even though they were busy with their own work. I really thank you all for making my special year significant. I am sure I will come back to this nice country and see you again.

Thank you again,
Tomoko Saito

I have had a really nice experience being in the U.S. Everything is nice, like the city and the things, but the best part is all the nice people that I have met. I like to speak with the people, go everywhere, and play the guitar. My favorite place is downtown Los Gatos. I go there every Saturday. I don't really miss my country and my city because everything is about the same, and the people I live with are like my own family. All my friends are really nice. They always joke and laugh, and we have a good time. I would like to come back again and see all my friends, and remember all the things we did together.

See you later
Julio Mendoza

Looks Like We Made It

CREDITS

As Yearbook editor, I now have the opportunity to thank all the people who have worked on the yearbook this year. Unfortunately, this page is almost the only recognition these people receive. They certainly deserve more. They have unselfishly given their time for over six months, to produce a book which they hope will receive their peers approval. These are the people who have attempted to turn 208 blank pages into a book reflecting your year. I believe they have accomplished this.

I am extremely grateful to the section editors. They are Diane Struich, Terri Hatzell, Mike Troy, Roberta Mixon, Joanne Caruso, Karen Steitz, Carol Buesing, Marcie Robinson, Kathy Evanoff and Debbie Leach. They were by far the hardest workers on the staff. I hope they now feel that all the headaches were worthwhile. (Di and Mo: K,D and J forever!).

Many thanks to Maureen Smith, Nicolette Nye, Jodie Smith, Mike Schmidt, Lisa Ferguson and Tammy Talburt who were always willing to lend a hand with anything that needed to be done. Their contrubution helped the section editors and myself more than they know. A special thanks goes to Deanna Medeiros, who not only typed dozens of copy sheets for us, but also did an excellent job on the dedication. I would also like to thank Ms. Gundacker for helping me with the introduction poem.

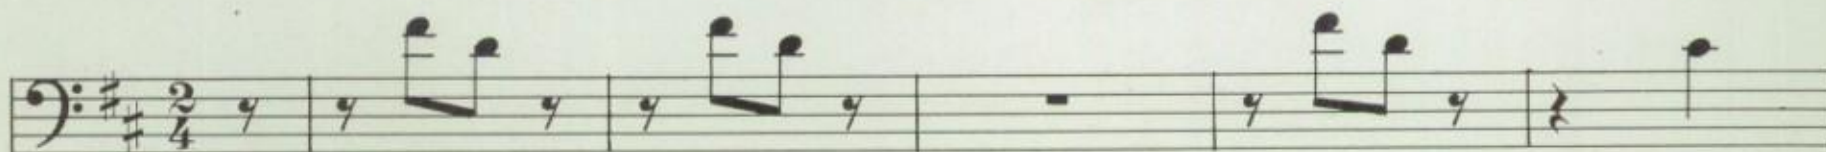

Our photographers, Chris Johnson, and the Photo Commission, assisted by Ron Bowen, were a tremendous help. Their cooperation and talent make this book what it is. Thank you all very much.

Thanks are also due to Mr. J.R. Myers, the yearbook representative, whose kind cooperation helped us greatly.

Most deserving of thanks is our advisor and friend, Chris Ray, and her assistants, Rhonda Winter and Harriet Robles. Ms. Rays' encouragement and sence of humor make the job a pleasure. Without her enthusiasm and faith in our ability, this could have been an overwhelming job.

Thanks to all these special people, working on the yearbook staff has been a very enjoyable experience. Due to the friendly cooperation of the staff, the work wasn't work at all. The book that we worked on so long, now belongs to the students of Leigh. We hope that you will enjoy the 1978 Vintage as much as we enjoyed creating it for you.

Jane Quist
Editor

Margie,
 I was really
 all of your tribulations. I hope you
 weren't bored with your man hunt. I hope
 you find Mr. Right soon. Next year you'll be a
 big senior. I am really impressed. I'll see
 you next year and hopefully we'll have a class
 together so we can discuss our love-lives.
 Love to me
 P.S. You will notice that I never mentioned Art, as we
 never did any Art in this class anyway.
 P.S. Call me sometime and maybe
 besides gossiping in the
 summer, 266-2375

Margie,
 To a really nice &
 very good looking girl
 I met in Spanish.
 I hope you have fun

 To a real sweet girl who
 I met this year in Spanish.

 personality but if you do I know
 you will change for the better.
 Thanks for all your help you
 gave me this year in Spanish.

well. what can I say intelligently. NOTHING (Did that sound intelligent?) I'm so hungry. At least there's no pictures of food around! This year's gone by so fast. Art was so fun & I made several "excellent" accomplishments? (like getting an F). I loved coming to this class. we went through so much together (me, you & John). First of all; Mark Hailey - poor boy. Then there's Joe, Rick, Mike, Greg, Bob & everybody else. The best part seemed like it was in Jan. or Feb. - BIGGA DEAL.

So, Oh, when Robby Redford calls, ask him if my nylons are there. I figure they're either there, or at Patsy Hoffman's house? I hope I see ya over the summer. Maybe, you & Judy can do something thrilling, wild, & exciting. (I mean something?) Good luck with Ricky. I hope me & Bobby get together. Last night he was so, I dunno?

well, the bell has rangeth.

So, I'll see ya. 78 rules.
